

REMARKS

Applicants have amended claim 15 to correct a typographical error and correcting the antecedent basis of the foreground image area of line 6. This is a formal matter not affecting the scope of the claim. Specifically, this amendment merely changes the word "the" to "a" in the first occurrence of the foreground image area. Applicants request entry of this amendment.

If necessary, the Commissioner for Patents is authorized to charge or credit the **Law Office of Thomas M. Isaacson, Account No. 50-2960** for any deficiency or overpayment.

Respectfully submitted,
